

Introducing ESA's newest and easiest fund-raising campaign for St. Jude Children's Research Hospital...

Shop 4 Hope

Do you shop on-line? Do you know others that do? Now shopping on-line will raise money for St. Jude!

Start at www.Shop4Hope.org

On this site you can select from a variety of merchants with which you can shop. Stores you already visit, like Amazon, Barnes & Noble, and Target. We currently have over 80 sites and we add new ones daily!

How can I help?

You can shop...

When you click on a stores link you will be taken directly to their site where you can shop as you normally would. It's that easy!! There is no extra cost to you and shop4hope.org does not gather any of your personal information. You are actually shopping on the merchant's site, through their secure server.

So how does Shop4Hope.org earn money this way? Shop4Hope.org is a referral site. We refer you to the merchant. As such they will pay Shop4Hope.org a commission.

You can visit the site...

Several merchants have requirements to be partners, and one of those requirements is number of visitors. By simply visiting the site and clicking through a few pages you are increasing our traffic and helping us raise our visitor number. The more visitors we get, the more merchants we can add. So please visit the site and click often!
